**Email address:** [l.c.m.anink@uva.nl](mailto:l.c.m.anink@uva.nl)  
**Emailing date:** 2009 June 19  
**Subject:** Kitano lecture and more...

---

Dear Lisette,

On behalf of the organisers, I announce the following events:

### Lecture by Dr Hiraoki Kitano

Director of the Systems Biology Institute in Tokyo (<http://sbi.jp/index.htm>)

Director of the Sony Computer Science Laboratories, Inc.

Visiting professor at the VU University and the University of Amsterdam.

**Title:** **Robustness-based approach to systems drug design**  
**Date/Time:** Wednesday, 2009 July 01  
12:00 (start lunch), 12:25 (welcome speech), 12:30 (start of 45 min presentation)  
**Venue:** Room C-147 at the Faculty of Earth and Life Sciences, VU University Amsterdam  
De Boelelaan 1085, 1081HV Amsterdam  
[www.falw.vu.nl/en/about-the-faculty/Location-and-contact/index.asp](http://www.falw.vu.nl/en/about-the-faculty/Location-and-contact/index.asp)  
**Comment:** If you would like to have lunch then please register before June 26 by sending an email to [jeannet.wijker@falw.vu.nl](mailto:jeannet.wijker@falw.vu.nl) with "Kitano Lunch" as the subject title.

### ERASysBio Summer School: Data management for Systems Biology II

**Dates:** 2009 July 26-30  
**Venue:** Universidad de Verano de Adeje, Tenerife, ES  
**Website:** [www.erasysbio.net/summerSchool](http://www.erasysbio.net/summerSchool)  
**E-mail:** [nicola.easen@bbsrc.ac.uk](mailto:nicola.easen@bbsrc.ac.uk)

### 2<sup>nd</sup> International Workshop on Computational Models for Cell Processes

**Dates:** 2009 November 3  
**Venue:** University of Technology, Eindhoven, NL (TU/e)  
**Website:** <http://combio.abo.fi/compmod09>  
**E-mail:** [evin@win.tue.nl](mailto:evin@win.tue.nl)
